a sale of minimum quantity of

a sale of 12,000 lbs only each year. The

4 Last year it was a condition precedent that the Agents should not sell oil in other Agency territories except with the knowledge and consent of such other Agent. It is now proposed that the Agents may be allowed a bonus of 25% on supplies made for consumption in their Ceded Areas. It is not known if the Ceded Agents are agreeable to such sale and to accept only 25% commission.

The sales during the two years were 25,847 bales 22,783 lbs against the minimum guarantee of 25,000 lbs per annum. It is not clear on what grounds the Dr. recommends the acceptance of a guarantee of only 12,000 lbs per annum in respect of the new contract which is proposed to be fixed for a period of three years. Under the old agreement the Dr. had power to fix the rate of issue of oil for the factory for the b. a. m. It is now proposed to fix the rate at a definite figure viz. Rs 11-8-0 per lb f.o.r. at any Rg 8m in the Agency area. This rate seems to compare favourably with those sanctioned in other cases.

S i r,

2 I have the honour to invite your kind reference to G.O. No.D.5870-71/S.O.F. 61-32-7 dated 6th June 1934, sanctioning the Agency arrangements for U.P., C.P., etc., for a period of two years. The term of our Kanauj Agents expires on 28th February 1936. The representatives of this firm visited this place very recently in this connection and discussed with me in detail their proposals for taking up the agency for a further period of three years. For the information of Government I submit herewith copy of their application dated 30th January 1936, stipulating the conditions under which they are agreeable to take up the sale of our Sandalwood Oil.

They have guaranteed to effect a sale of 12,000 lbs during each year excluding the business from Messrs. Asghar Ali Mohamed Ali with whom the Factory deals direct. The business guaranteed might be considered fair as we have to face competition of many rival oils in future due to our having stopped distillation in Kanauj. Under the circumstances I consider the terms fair and recommend that they may be continued as Agents for a further period of three years for the same area as before on the following terms:-

1 (1) That they should sell 12,000 lbs of oil during each year at the rates fixed by Government from time to time.

(2) That they may be paid only 25% of the commission on any

the present rate are as per G.O. No. 3220-12-5: 25.2.5.2 13.11.25. 7

sales effected direct by the Factory in their Agency territory and the quantity so sold may count towards their guarantee..

(3) That they may be supplied oil to the extent of Rs 10,000 on credit against drafts drawn at 60 days' sight, and the security deposit of Rs 20,000/- with us will continue as security for stocks held by them and also for the fulfilment of guarantee unless waived by us under special circumstances.

(4) That they may be allowed a commission of 4 annas per lb on ^{packed} oil supplied to them for sale.

(5) That they may be allowed a sum of Rs 500/- per year towards advertisement etc., for our oil., ^{to be paid on}

(6) ^{presentation of vouchers} That the oil may be delivered to them (at Rs 11-8-0 per lb) f.o.r at any railway station in their agency territory as hitherto, the cost of receptacles 1 lb and below being extra.

(7) That they may be allowed only 75% of commission on supplies made for consumption in their Calcutta Branch. The quantity of oil so required will be fixed and supplies arranged through our Agents in Calcutta who will be entitled to only 25% commission.

I request you kindly to obtain approval of Government to the above proposals.

As the distillation has been given up by the Government at the Kanauj Factory, we understand that Messrs. Mathura Pershad Sooraj Pershad, with few other purchasers of Sandalwood are distilling their oil for sale. We are not in a position to say what effect this will have upon the packed oil which alone the Government will send us. As a tentative measure we would guarantee sale of twelve thousand pounds of oil per year. But we shall do our best to increase the sale to more than our guaranteed quantity. We request that our agency may be continued for another three years on the same old terms. We agree to take only 25 per cent over-riding commission on any sale that may be effected direct in our territory, but the quantity will be added in our guaranteed quantity, and those customers should get the oil at Government Scheduled rates. We shall also be entitled to get 75 per cent over-riding commission if any sale is done by us in other agent's territory. We may be supplied the goods to the limit of our deposit amount and we shall pay for it sixty days after delivery. As the competition will be very keen this year we request that the amount paid for advertisement may be increased up to Rs 1,000/- per year-

We remain,

- (1) Commission of 4 annas per lb recommended is for packed oil and not for loose oil. Loose Oil sales have been completely stopped.
 - (2) In my letter No.2421 dated 24-2-36, I have reported that the oil is required for their consumption in their Calcutta Branch and as such they are not permitted to sell oil in Calcutta which forms the Agency Territory of Messrs. Malliks.

- (3) The payment of 25% commission to Malliks on supplies to Banarsidas, Calcutta, is a new term and has to be incorporated after the expiry of the present Agency arrangements with Malliks.

I may also add that Messrs. Lala Banarsidas Khettri and Beniram Moolchand, Kanauj, have agreed to accept only 25% of commission on direct sales made by the Factory in their Agency Territory.

Dear Mr. Venkatanaranappa,

Re: Kanauj Agency.

I am submitting a separate reference regarding the points raised in your letter No.D.996 dated 4th August 1936.
S.O.F. 55-35-6.

W Government in their Order No. D.7150/S.O.F. 80-35-2 dated 20th May '36, sanctioned a rate of Rs 10/8/0 per lb less 4 annas towards commission for the oil meant for consumption of our Kanauj Agents, Messrs. Lala Banarsidas Khettri and Beniram Moolchand. In my letter dated 25th May 1936, I intimated to them about the decision of Government. This letter was sent by registered post and so far they have not acknowledged my letter and agreed to draw quantities ranging between 8,000 to 10,000 lbs at the above rate which quantity they were said to consume. In the absence of their acceptance, we have been billing the oil at the scheduled rate of Rs 11/8/0 and they have been honouring our drafts.

From the figures available regarding sales effected in their Agency territory, I make out that 5466 lbs of oil have been sold from March to end of July 1936.

Yours sincerely,

M. Venkatanaranappa Esq., B.A.,

With reference to your letter No.D.996 dated the 4th August 1936, requesting me to furnish my remarks on certain points relating to the Agency of Messrs. Lala Banarsidas Khettri and Beniram Moolchand, Kanauj, I have the honour to state as follows:-

(1) Regarding the desirability of providing for termination of their Agency on 6 months notice, I write to state that this is a point which has to be settled after consultation with the Agents. I shall address them in the matter and on hearing from them, I shall submit my views to Government.

(2) Regarding rates, Clause (1) referred to in my letter No. 2421 dated the 24th February 1936, gives the right to the Director to fix the price from time to time. In Clause 6 of my letter, omission of "at Rs 11-8-0 per lb" would remove the inconsistency.

TO

M. VENKATANARANAPPA ESQ., B.A.,
Secretary to the Government of Mysore,
Development Department, Bangalore.

S i r,

Sale of Sandalwood Oil in the Kanauj Area.

I have the honour to state since the stoppage of distillation of wood at Kanauj the sales in that area have not been very satisfactory. The Agency of Messrs. Lala Banarsidas Khettri and Beniram Moolchand came to an end on February 29th of this year. Since then they have been continuing provisionally as our Agents and proposals for their continuance are pending before the Government.

I feel that I should collect some detailed information about the conditions prevailing at the present time in Kanauj market, as all the information we have is very vague and very intangible. During the last four or five months, we have been receiving no replies to our letters from the present Agents and this is a matter of some concern to the Department. The matter requires thorough investigation on this part and I beg to recommend that Mr. B.S. Iyengar, Senior Chemist in charge of the Factory to be deputed to Kanauj to make a thorough investigation of the entire Sandalwood Oil market in Kanauj and after his return submit detail proposals. He will have to stay at Kanauj for at least 8 to 10 days. It is also in the interests of the Factory that he should be permitted to avail himself of this opportunity to know something about the Sandalwood Oil market in Calcutta; and therefore he may be permitted to return to Bangalore via Calcutta and

Madras. I recommend the following itinerary for him:-

- (i) Madras to Bombay. Halt at Bombay two days.
- (ii) Bombay to Kanauj. Stay at Kanauj for 8 to 10 days.
- (iii) Kanauj to Lucknow. One day. (The largest single customer for our oil in India stays at Lucknow.)
- (iv) Lucknow to Calcutta. Halt at Calcutta for two days.
- (v) Return to Bangalore via Madras.

The total period of halt will be between 13 to 15 days and the whole tour will not take more than 20 days.

Mr. B.S. Iyengar may be paid double the usual daily allowance and be permitted to take a servant with him who may be paid at the rate of Rs 1/- per day. Mr. B.S. Iyengar may be paid actual taxi charges incurred by him in these places, as it will be impossible for him to meet this charge out of the daily allowance he gets.

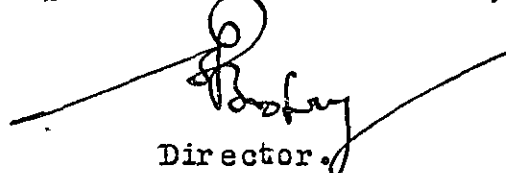

As soon as the deputation is sanctioned, I shall be addressing letters to the Comptroller and through him the Agent, of the Imperial Bank of India, Bangalore, to furnish letters of introduction to Mr. B.S. Iyengar to help him to approach the different banks in the places he visits to obtain confidential information relating to Sandalwood Oil business and dealers. I shall also give him a general letter of introduction as Director of Industries & Commerce so that he may, if necessary, get into touch with Chambers of Commerce and other commercial bodies.

I request very early orders on my proposals.

I have the honour to be,

S i r,

Your most obedient servant,

Director.

Sir,

Subject:- Renewal of Kanuj Agency.

Reference:- Your letter No.D.996 dated 4th August 1936;

I have the honour to state that Messrs. Lala Banarsidas Khebr and Beniram Moolchand, Kanuj, agreed to the termination of their agency at six months' notice on either side.

As for allowing 75 per cent Commission to these agents on supplies made to their Calcutta Branch as recommended in clause 7 of this office letter No. 2421 dated 24th February 1936, I beg to explain below the complications involved therein. When the representative of this firm interviewed the Director in Bangalore in January 1936, he insisted upon such a clause. The Director sent up a recommendation to Government. After forwarding this recommendation, it was discovered that we were precluded from allowing this commission on such sales because according to the then existing agreement with the Calcutta agents, the latter were entitled to full commission on all sales effected in their territory. When this was discovered, the Director addressed the Kanuj agents in his letter No.2582 dated 11th March 1936 (copy enclosed) requesting them not to insist upon such a condition then and also stating that their request would be kept in view while renewing the agency of the Calcutta agents after July 1936. The Kanuj agents agreed to this and stated that

34
that they would be content to wait till July 1936 for the consideration of their request to give them 75 per cent of the commission on supplies made to their Calcutta Branch.

Mr. Mallik came to Bangalore on 11th June 1936 and had a detailed discussion with the Director about the renewal of his agency. From the files, it is not clear whether the Director discussed this question of permitting the Kanuj agents 75 per cent of commission on oil supply to the Calcutta Branch of the Kanuj agents. The Government ^{order} renewing the agency of Messrs. Malliks states that the old terms will continue except some modifications which are mentioned in the Government Order. If the old terms should continue, it means that the Factory should pay commission to Messrs. Malliks on all supplies directly made by the Factory in Calcutta.

One of the two things will have to be done at the present moment.
(1) To tell the Kanuj agents that even though we state ^{and} that we would consider their request for 75 per cent commission on oil supply to their Calcutta Branch; such a request cannot now be granted. They ^{will} feel, perhaps, aggrieved since ^{they} they were led to believe that there would be no difficulty in granting their request after July 1936. (2) The second course will be to correspond with Messrs. Malliks and inform them that so far as the supplies to Calcutta Branch of the Kanuj agency are concerned, Messrs. Malliks can only expect 25 per cent of the commission, the balance being made over to the Kanuj agents. It is doubtful whether Messrs. Malliks would agree to this at this late hour.

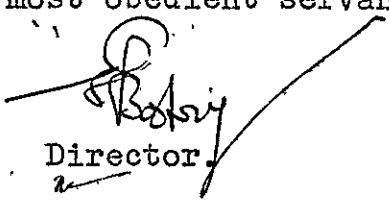

Whether commission is given or not the supplies made to the Calcutta Branch of the Kanuj agents count towards their annual guarantee of sales.

I am writing to the Kanuj agents stating that their request for a portion of the commission on oil delivered to ^{their} ~~the~~ Calcutta Branch was considered and cannot be granted.

I request you to kindly obtain the orders of Government approving of the renewal of the Kanuj agency for a period of three years on the

33 ✓
the terms recommended in this office letter No.2421 dated
24th February 1936 excepting clause No.7.

I have the honour to be,
Sir,
Your most obedient servant,

Director.

Copy of letter No.2582 dated the 11th March 1936 from
the Director, Sandalwood Oil Factory, Bangalore, to
Messrs.Lala Banarsidas Khetry & Beniram Moolchand, Kanauj.

We refer you to your letter (camp) Bangalore,
dated the 30th January 1936, proposing certain agency
terms. You state that you should be allowed 75% commission
on sales made in other Agents' territory. We presume
that this has a reference to the supplies made to your
Calcutta branch.

Under the existing agreement with our Calcutta
Agents, we are precluded from allowing any Agent to sell
oil in Calcutta and that we are to allow full commission
on any supplies made to your firm at our instance. We
will have in view your request regarding 75% commission
when deciding future sales arrangements in Calcutta after
July 1936. In the meantime, kindly confirm your acceptance
not to insist on the said condition of 75% to enable us
to obtain early orders of Government regarding your
continuance as agents.

Director,
Sandalwood Oil Factory.
